## Shear Murder

A wedding turns deadly when hairstylist Marla Shore discovers a dead body under the cake table.

Hairstylist Marla Shore attends her friend's wedding where she discovers the matron of honor stabbed to death with the cake knife. Can she unmask the killer before she's next to wear a veil... to her own funeral?

### SHORT SUMMARY:

Weddings always make Marla Shore shed a tear of joy, and she's elated to attend her friend Jill's reception. Marla's own nuptials are weeks away, and she's busy following her frenetic to-do list. Her plans go awry when she discovers Jill's matron of honor dead under the cake table, a knife embedded in her chest. Lots of folks aren't sorry to see Torrie go, especially since the bride's sister knew their deepest secrets. But when suspicion falls upon Jill, Marla wonders if her dear friend is truly innocent.
